

GROVER

INTERNATIONAL

A Govt. of India Recorganised Export House.

About

Grover International, a government of India recognized export house, was established in the year 1991 with a vision to provide woolen carpets and rugs at affordable prices to its customers. Over the years with an experience of over 29 years, Grover has diversified into products like hand tufted carpets, woven carpets, woven rugs, woven cushions, throws, poufs, tufted bathmats and machine made carpets. We take tremendous pride in mentioning ourself as the fastest growing company in our industry and have managed to have a decent share in the market for our products in USA, Europe, middle East and Australian markets. With the advantage of all the process ranging from yarn procurement, dyeing, weaving, finishing, stitching, packing, dispatch being in house we manage to pass on the benefit to our customers in the form of shorter lead times and cheaper products.
